PRIMARY EXAMINER

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CAR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel, claims 8-9, 11-23, 25 and 27.

Reasons for Allowance

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on September 30, 2004 has been entered. An action on the RCE follows.

The following is an examiner's statement of reasons for allowance:

Independent claims 1, 10, 24 and 26 are allowable over the prior art of record. Claims 2-7 depend from claim 1, therefore, are allowed.

Independent claims 1, 10, 24 and 26 recite the limitations of : a developing unit/step for developing on virtual planes pieces of bit data in image data, wherein pieces of bit data of the same pixel are developed on the same virtual plane. The combination of these features as cited in the claims in combination with the other limitations of the claims, are neither disclosed nor suggested by the prior art of record.

The closest references of US 5881173 to Ohmori discloses a JBIG coding system with coding on bit planes. However, he does not teach the limitations of cited above, which is shown in the Fig 5B of the specification.

In view of the Applicant's arguments , the rejections to claims 1-7, 10, 24, and 26 are expressly withdrawn.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
